## UG Mining Solutions (PTY) Ltd – Short Company Profile

### **Company Background:**

UG Mining (Pty) Ltd, with office based in Pretoria, South Africa was incorporated in 2019 to provide quality, reliable, durable and efficient branded products and services within the Mining and Industrial Industry in The Democratic Republic of Congo. (RDC) We currently hold exclusive agencies for major manufacturers of mining roof support products, welded mesh and split sets, amongst other roof support products used in underground mining. We take pride in these partnerships and the directors of UG Mining (Pty) Limited have a vast level of experience with UG mining throughout RDC, Zambia and Ghana.

The senior management of UG Mining (Pty) Limited are well known in the mining industry in Sub Saharan Africa, namely, Democratique Republic of Congo, Zambia, Zimbabwe, and Ghana. They are providing over 15 years of international trade on specialized underground mining products through their parent company based in Zambia, and a procurement partner hub based internationally

### **Vision Statement:**

UG Mining (Pty) Ltd is placed to become the leading supplier within its field of operation. We aim to gain recognition all over Africa, as a provider of quality roof support products and technical assistance that can be relied upon.

### **Corporate Attributes:**

UG Mining (Pty) Ltd provides a professional service, by making available to customers reliable, durable, competitively priced and efficient branded products. UG Mining (Pty) Ltd ensures value for its customers by creating strong relationships through providing of a consistently reliable service and remaining competitive within the marketplace. UG Mining (Pty) Ltd creates value for employees by providing a balanced reward structure, competitive remuneration, and sales commission recognition for value contribution, career progression opportunities and development. This ensures the realisation of each individual's potential, in the best interest of the company and the individual employee.
